  </form>
</body>
</html>

```

Output: -

The screenshot shows a web form titled "Traveling form" centered on a background image of a sunset over mountains. The form has a yellow-to-green gradient background and contains the following elements:

- A dropdown menu labeled "Select" with a downward arrow.
- A "From:" label followed by a text input field with placeholder text "Enter ur from city here".
- A "To:" label followed by a text input field with placeholder text "Enter ur to city here".
- A "Date of Travelling:" label followed by a text input field with placeholder text "dd-mm-yyyy" and a calendar icon.
- A "Frame:" label followed by a text input field.
- An "Iname:" label followed by a text input field.
- A "Gender:" label followed by three radio buttons labeled "Male", "Female", and "Others".
- An "Age:" label followed by a text input field.
- A "Phno:" label followed by a text input field.
- An "Email:" label followed by a text input field.
- A "password:" label followed by a text input field.
- A green button labeled "Reg in".
- A link labeled "Forgotten password" below the button.
