 <h3>For the 2026 season, Formula 1 has introduced its most  
 significant regulatory overhaul in history, shifting to a "nimble car"  
 concept designed for closer racing and a 50/50 power split between  
 electric and internal combustion energy. The new machines are  
 significantly smaller, lighter, and feature world-first active  
 aerodynamics.  
 2026 Car Specifications vs. 2025</h3>
